Първостепенна цел на **Benjamin Moore Paints** е да предлага най-добрата боя на всички времена, като същевременно разработва продукти с минимално въздействие върху околната среда. Благодарение на непрекъснатите усилия на своя екип, **Benjamin Moore Paints®** е единствената марка, която предлага продукт с абсолютно нулево съдържание на VOC (летливи органични вещества), дори след оцветяване и независимо от избраният цвят, а именно **512 Natura Zero VOC and Zero Emissions**.

Забележка: Горепосоченото се отнася за **Gennex** серията на **Benjamin Moore Paints**.
